Hello DXers

Another International DX Convention is in the books, I was pleased to see so many of the Southern California DX club members attending. I hope everyone had a lovely time visiting with friends both old and new.

My thoughts are that we keep positive for the 2020 IDXC hosted by our group. This is very personal for me. Cathy K6VC and I will need the positive input and volunteers from SCDXC.

Our May 9th meeting will be a SKYPE presentation by DX Engineering's, Tim Duffy K3LR on the 2018 World Radio Team Championship in Germany. This will be a presentation on chronicling his experience. I hope we have a great turnout.

The SCDXC Annual picnic which will be held at Woodley Park in Van Nuys on June 2nd, 2019, it will be a lovely Sunday afternoon with friends.... Volunteers are needed. The club will provide the hamburgers, hot dogs, chicken and beverages. We are asking those attending to bring a side dish – salad, dessert, chips. Let's have a great turnout.

Please feel free to contact me if you with any concerns or thoughts.

Best of 73!
Kris Jacob

Rumors on the Band

May is CQ WPX CW month! In a few weeks summer will be upon us and the bands will diminish. Thank goodness for 6 meter sporadic E season! There should be a glut of new operators on the magic band and, if last year was any indication, we should have some great propagation including Europe and the Orient!

Make sure you check your favorite websites for up to date DX announcements. Here are two good sites:

Membership

Cathy Gardenias, K6VC, our Treasurer and Membership Chairman, reports that the current membership stands at 142. If you have not paid your dues please consider doing it as soon as possible. Furthermore, if you know past members who have not renewed please encourage them to do so. It is the bottom of the sunspot cycle and there is an expectation that some will drop out until propagation improves in combination with the age demographic which may indicate some will not return.

In any event we need to increase our efforts to educate new hams on Dxing and hopefully once again swell the ranks. Anyone up for a series of primers on DXing? Volunteer presenters are invited to throw their hat in the ring!

DX for May

DX Standings

Rumor has it that Sharon Spring, K6IRD has just broke the 300 entity ceiling! A little Larry bird hinted that she will be submitting her new confirmations to John, N6QQ, this meeting. Look for a formal announcement soon!

Bill Shell, N6WS, reports that he has 233 entities worked on FT8 What's more, he has 219 confirmed with DXCC on 4 bands so far. Finally, Bill reports that confirmation for zone 40 on 80 meters is on its way! That will place Bill at 200 zones, the top of 5BWAZ,.

The WAZ standings have been updated. Please check and make sure your numbers are correct. If you are a member and do not see your WAZ standings drop me a note with the numbers.

Send any updates to:
N6RV@SCDXC.org

SCDXC WAZ and DXCC Standings

The first WAZ column is the confirmed zone count on 10 bands 160 - 6 (less 60 meters). The second column is the regular 5BWAZ confirmed count. The following are the codes that follow the two columns and indicate the awards:

M **Mixed**
P **Phone**
C **CW**
R **RTTY**
5 **5 Band**

The first DXCC column is the confirmed entity count with deleted countries. The second column is the confirmed current entity count. The third column is the challenge slots.

The members highlighted in **Red** are at the top of the Honor Roll. Those in **Blue** are on the Honor Roll

April was a good month. SCDXC added 9 new entities this month, 8Q, CE0Y, JY, KH0, OH0, VK9N, XT, XU, & YJ. ClubLog Leaders have added 6 new entities, JX, KH8, OH0, T30, VK9N, Vx9X. Note that the one entity we worked that was not worked by the ClubLog leaders is now in their rolls! Furthermore, both groups worked OH0 & VK9N.

The ClubLog top leader, K9RX has worked 245 entities while SCDXC leader, Kent Olsen, N6WT, has 215 entities. This gap will close during the Fall openings! We are now entering the noisy season. This will be the demise of 160 and 80 meters for the summer however we expect to see the 6 meter standings to rise with the onset of Es season. Remember, last year the first DX openings occurred in early May. Get ready to go!!! September will be the break out month for HF. See everyone in the contests!

Not to mention the CQ WPX CW contest at the end of the month may garner a few new ones! Keep on truckin!

FT4 (K1JT)

There is a new digital mode with many great features. Here is a YouTube presentation featuring Joe Taylor, K1JT discussing the new mode. Furthermore he answers a question about his research into pulsars. It would be a treat to have him discuss the history of nuclear science and relativity. Did you know the neutron was discovered in the 1930s? It was hypothesized before then but as far as actually demonstrating it existed it was less than 100 years ago!
